The One Year Challenge volunteer programme has been a great blessing to a number of ICC Missions congregations. It has helped transform ministries as well as the individual volunteers themselves. We are excited that you have chosen to take up this volunteering opportunity with us.

This agreement tells you what you can expect from us, and what we hope from you.

We agree to do our best to:

- provide you with a mature leader who will be your main point of contact and direct your tasks and training
- provide you with as many training opportunities as we are able to make use of your gifts and to develop your character as a disciple of Jesus. This will include Safeguarding training.
- treat you with love and respect as a partner in the Gospel
- reimburse your travel and other appropriate expenses, as agreed in accordance with the OYC Financial Policy
- invite you to attend appropriate Staff Meetings, Retreats and other such events.

You agree to do your best to:

- serve humbly and wholeheartedly to the best of your ability
- strive for holiness and righteousness in all you do
- plan your work and holiday schedule with your supervisor
- comply with the policies and procedures of ICC Missions

We take the safeguarding of our Young Adults and Children seriously. You must not serve in any such ministry until you have received confirmation of a successful Disclosure from ICCM Admin.
